

Horton Park Primary School

Equal Opportunities Policy Statement

Horton Park Primary School recognises individuals as different and unique, the promotion of Equal Opportunities underpins all activities taking place at or within the grounds of Horton Park Primary School.

Our core purpose is to raise achievement through access and extend learning opportunities for all children and to involve parents in the life of the school and place our school at the heart of all the community.

All children, parents and members of the community are included irrespective of their disability, gender, race, religion or sexual orientation.

To demonstrate this concern for all members of the community it serves, Horton Park Primary School as a provider and employer, will seek to recognise and act against discrimination in any form, particularly that derived from differences in ability, race or gender.

All staff, any other adults using our facilities or those responsible for children attending this school, are expected to support this policy and to ensure that their activities reflect this commitment.

For further information refer to all other school policies
